

## **International Ladies' Man Antonio Sabato, Jr. Launches Dating Advice Blog for Men**

*U.S. Men Searching for Love Turn to International Sex Symbol for Advice*

**New York, NY / Moscow, Russia – August 20, 2013** – Only one man in the world can honestly claim to have dated Madonna, Pamela Anderson, Jewel, Rachel Leigh Cook, Jennifer Love Hewitt, and a dozen other A-list celebrities, models and stunners – that is actor, model and world-renowned ladies' man, Antonio Sabato Jr. In his role as spokesperson and international dating consultant for [AnastasiaDate.com](http://AnastasiaDate.com), the leading online international dating service, Antonio will be teaching men his tools, techniques, and tips to finding and wooing the woman of their dreams.

Antonio's secrets to "getting the girl" go way beyond just good looks and six-pack abs, and now, for the first time, he is writing a blog in which he will teach the men of American (and the world) how to be as successful as he has been with the ladies.

Antonio's blog, "Under the Sheets: Tips from Your Celebrity Wingman," is hosted on the AnastasiaDate.com website at [Blog.AnastasiaDate.com](http://Blog.AnastasiaDate.com).

In his partnership with the leading international dating website [AnastasiaDate.com](http://AnastasiaDate.com), Sabato, Jr. will help teach men how to interact with women in hopes of ultimately finding the woman of their dreams. The blog will include tips, personal anecdotes and directions for well-established men who, for a variety of reasons, have yet to find "the one."

"It's no secret that American men are struggling in the love department. A [recent survey](#) by Harris Interactive revealed that one in four men are too lazy to go out and find the woman of their dreams, and of those who do, a quarter are too nervous to even speak to a woman whom they find attractive. So...what is a man to do?" asked Sabato, Jr. "Guys today are taking the wrong approach to dating – from how to speak to a woman to where to meet her. They just don't get it, and somehow they still think that the best way to meet women is in a crowded bar or sweaty dance club. They don't understand that dating has evolved way beyond that these days, especially online where the options are endless and men truly can find their perfect match."

Sabato, Jr. continued, "Technology has progressed in such a way that you can meet women who share the same interests and hobbies that you do online, and the kicker is that they don't even have to live in your city or state. You can meet a wonderful companion who lives anywhere in the world. With this blog, I'm here to open men's eyes and show them how to form a lasting, meaningful relationship with a great woman – whether she lives in your city or across the ocean."
